Planet Shakers, Everything To Me

When i feel down i look to you When i feel low your words ring true Its not by might or in my strength But its by your spirit moving in my life Cos God you are my life

I will praise you you're everything to me I'll live for you You're the reason that i sing I won't go back to the way it used to be Cos i've found you and your everything to me

At times when i look down and all i see is Sinking sand I'm thankful that it's you the solid rock on Which i stand
