

Planet Shakers, Give You Praise

When I think of the things that you've done for me my Lord
How can I even start to explain the way I feel
Your love for me is so real
Takes away my deepest fears
Now I know that I stand with your power in my life

I need you by my side
I need you here with me
Lord you are my life
Come and set me free

Now that you are in my life
Everythings completely changed
I know for sure that things will never be the same
Now that I have found your love
Im drawing closer everyday
For everything you've done in me
Gonna give you praise

I stand in awe of you
