

Planet Shakers, I Want You To Know

I want to show You
That my love for You is real
You save me, forgiven me
This hole inside my heart You filled
You take me, shape me
I wanna grow up just like You
'Cause daily I wanna be
More and more in love with You

I want You to know
How I feel about You
'Cause You're my only One
I can't live without You
I've got to let you know
You're the One that I adore
'Cause You're the One that I adore

I want to show You
That my love for You is real
You save me, forgiven me
This hole inside my heart You filled
You take me, shape me
I wanna grow up just like You
'Cause daily I wanna be
More and more in love with You
