

Planet Shakers, My King

I will bless You Lord
My Saviour I worship You
Jesus You are my one desire
I live for You

The nations will turn to You
They'll bow down in worship
The heavens declare that You are
King of all the earth

Holy Holy
Lord God Almighty
Forever I will worship You
I will worship You
Holy Holy
Lord God Almighty
Forever I will worship You
I will worship You
My King

I will enter Your courts
With praises, all of my days
There's no greater reward than
Just to see Your face

Holy Holy
Lord God Almighty
Forever I will worship You
I will worship You
Holy Holy
Lord God Almighty
Forever I will worship You
I will worship You
My King
