

Planet Shakers, Reflector

Since i've found your love
I've never needed anything to fill my heart
Even when i fall
You're always there with open arms to pick me up
From the start i knew
No one else could make me feel the way you do
Everyday i want to grow
Just a little bit closer, just a little bit closer

I want to be a reflector
I want to shine with your glory
I want to let the whole world know that you're
Living in me

I want to burn with your fire
Shine my light a little brighter
I want to let the whole world know that
Jesus Lives in me
