

# Planet Shakers, Rescue Me

When im alone the world is such a different place  
Sometimes its hard to keep the smile upon my face  
It seems like I try so hard and still I let you down  
Its taken so long but now theres one thing that Ive found

When everyting starts crashing down  
When all I know falls to the ground  
When darkness comes and I can't see  
You're always there to rescue me

Just when I think that Ive got it figured out  
You open my eyes and let me see that theres no doubt  
But you've got it all within the power of your hand  
It seems like the more I know the less I understand

When everyting starts crashing down  
When all I know falls to the ground  
When darkness comes and I can't see  
You're always there to rescue me  
When all my strength has turned to fear  
When I wonder if you're near  
When I dont know how to break free  
You're always there to rescue me

I wonder if Ill make it through this darkest night  
I need to know your strength in me gonna win this fight  
Im reaching out wont you take my hand show me to the light  
I know you're by my side

It seems like I try so hard and still I let you down  
Its taken so long but now theres one thing that Ive found

When everyting starts crashing down  
When all I know falls to the ground  
When darkness comes and I can't see  
You're always there to rescue me  
When all my strength has turned to fear  
When I wonder if you're near  
When I dont know how to break free  
You're always there to rescue me  
You're always there to rescue me  
You're always there to rescue me  
You're always there to rescue me  
You're always there to rescue me
