

Planet Shakers, Unto You

I live for You
All of my days belong to You
You draw me to
Your tenderness, You make me new
Into the secret place I will run
Where my heart can be free in the
Grace that I found in You

Unto You
Be all Glory and Praise
How my heart seeks Your Face
As I'm waiting on You

Only You
Are my strength and my tower
Fill my life with Your Power
As I stand here in awe of You
I stand here in awe of You
