

Planet Smashers, Super Orgy Porno Party

(spoken)

pizza man

oh i didn't order any pizza

well somebody's gotta eat it

shes got the friends, but she needs a location
he's got a loco but he needs the supplies
the friends have supplies so they all get together
now everybody's welcome at the party tonight.
it's time to redefine the new school
rude boy two-tone suits hang em by the door

(chorus)

Super orgy porno party(4x)

i never personally been to the big party
but i spose that if i did i'd have a good time
lotsa folks i see doin it regularly
and they tell me that it feels just fine
tryin to redefine the new school
rude boy two tone suits scattered on the floor

(chorus)

Super orgy porno party (4x)

(spoken)

it's time to redefine the new school
rude boy two tone suits scattered on the floor

(spoken)
