

Planet Smashers, Swayed

Why do you think you get what you want with your wallet
Impossible to move I'm a rock (no-no-no)
If you want my attention,
You had better change your ways start acting kind (no miss-behaving)
And stop pushinh around I won't be swayed I won't be swayed
Gifts are nice and present helps but your money can't
Buy my love no-no-no (no-no-no)
If you want my affection you had better change your ways(take things easy)
Send some time (give more freely)
Then you'll find the chance increasing of me coming around
I won't be swayed
I won't be swayed I'm not gonna cave in no,
I won't be taken by my wills not breaking
I won't be swayed
