

# Planetshakers, Don't Pass Me By

My heart it longs  
My soul it thirsts for more  
For more of You

I'm reaching out  
I'm waiting here for more  
For more of You

Cause all I want is You  
And all I need is to be here with You

I'm hungry for Your fire  
I'm desperate, You're my one desire  
Jesus, please don't pass me by

I need You more than ever  
I'm thirsty for a touch from Heaven  
Jesus, please don't pass me by

Don't pass me by Lord  
I'm desperate for You
