

# Planetshakers, Great And Mighty

I stand in this place and lift  
Up my eyes to see  
The glory of Your face

My God, how wonderful You are  
How beautiful Your name  
It calms the raging seas

With open arms I run into Your courts  
I'll dance before You King of all the eath

You're great, great and mighty  
King of glory, God of wonder  
You're great, Ancient of Days  
Keeper of my heart, lover of my soul

You are great and mighty  
You are great and mighty  
You are great and mighty  
You are great

You are great  
You are great
