

# Planetshakers, Hero

Know me like I do  
I know I'm nothing without You  
I need Your spirit in my heart  
Show me ways I'll never depart

Now all I need to say is how much I need You

You're all I long to see  
My friend who gave His life for me  
You're All I Long to be  
Jesus, the Hero inside of me is You

Jesus, You're my Hero  
Jesus, You're my Hero  
Jesus, Jesus, Jesus the hero in me
