Planetshakers, Jump Around

Somebody get your praise on

There is one thing that I know for sure How much I love You yet You love me more You paid my debt a price I could not pay So I will praise You each and every day

I'm not gonna hold back now I think it's time to just get up And jump around now

Everybody jump around In the house of God Hey, hey jump around Everybody jump around In the house of God EVERYBODY

When I say Jesus You say praise Him Jesus praise Him Jesus praise Him

There is one thing that I can't ignore
The power of praising You in one accord
Our praise goes up, the walls come down
Listen up people I can hear that sound

Praise Him, jump jump Come on praise Him, jump jump Praise Him, jump jump Somebody get your praise on

Somebody get your Some-somebody get your praise on
