

Planetshakers, No One Else Like You

Verse:

My heart longs
For Your Love
My soul thirsts
For Your touch

Pre-Chorus:

There is no one like You God
There is none like You

Chorus:

There is no one else like You
There is no one beside You
There is no one else like You
My God, my King
No one else

Bridge:

Nothing compares to You my God
No one could ever take Your Love away
You're my King, my everything
Jesus
