

Planetshakers, Shout Your Name

Nations come
And stand in awe
At the wonder of Your Name

The whole earth sings
The oceans roar
To the glory of Your Name

Lift our praise to You
For all eternity
Lift our hands to You
Forever shout Your Name

Glory to Your Name
Forever we will shout Your praise
Your majesty

Heaven sings Your praise
The wonder of Your majesty
Forever shout Your Name
Forever shout Your Name

We cry Holy
We cry Holy
We cry Holy
Forever we will sing
