

Planetshakers, This Is How We Overcome

Your life broke through my night
Restored exceeding joy
Your praise fell like the rain
And made this desert live

(Repeat x 1)

You have turned my morning into dancing
You have turned my sorrow into joy
You have turned my morning into dancing
You have turned my sorrow into joy

Your hand lifted me up
I stand on higher ground
Your praise rose through my heart
And made this valley sing

You have turned my morning into dancing
You have turned my sorrow into joy
You have turned my morning into dancing
You have turned my sorrow into joy

This is how we overcome
This is how we overcome
This is how we overcome
This is how we overcome

(Repeat 2)

You have turned my morning into dancing
You have turned my sorrow into joy
You have turned my morning into dancing
You have turned my sorrow into joy
