

# Plankeye, How Much I Dont Know

But as long as I stand beside you, I know you'll never leave my side  
And it's you who makes the love shine in my life  
And it's you who brings a tear to my eye  
And it's you who picks me up when I fall  
And it's you  
When I think of you I see a beauty  
That cannot be described by words  
Then I sit and my mind goes and wanders  
When I get those thoughts of you and  
Love comes shining through...  
When i think of you, all I wanna do is share the good news
