

# Plankeye, So Far From Home

I feel Your presence when I'm on my knees  
Asking for forgiveness, Lord, hear my cries and pleas  
I know You're there Lord, I know you care  
I know you set me free, but I'm still scared  
I know You're there, but I'm still scared...  
Through prayer, Lord I see the works You've done in my life  
Even when the times get hard You lift me up in Your light...  
I know You're there Lord, I know You care  
I know You set me free, but I'm still scared
