

Plans For Revenge, Knife for My Neighbor

you must think I'm crazy... these past few days and your alibi
if you'd listen to me one more time I'm sure you'd like all you'd hear

and if you'd seen through my eyes as I watched you go
behind my back... no one knows (like I don't know a thing)
I've watched you hate me and I've watched you go

so there's not much left to say when I already know your story
but you'll play your games all night long... now I've got you where I want you
I could never let this go... I could never let you know
that if you'd listen to me one more time... if you'd just listen

so take this knife and twist it in my back
