

Plans For Revenge, Restless Knight

if there's anything that I could wish for is another arm to wrap around you
so that the next time I am close
I could have one more arm that wouldn't let you go
so I'd like to let you know...

like how I've counted all the times I've tried to keep you to myself
I'm here in my car... I'm bleeding to death and your hands are on my neck

the night is young and I am so restless
due to lack of sleeping and too much dreaming
confidence without believing in anything or anyone that comes my way
I've got so much I'd like to say to you...

where are you now - I wish I had another minute to hold you
can I live without the one I could never hold on to
