&quot;Hello?&quot;  
As of 12 noon tomorrow, say good-bye to the world as you know it  
&quot;Hello?&quot;  
Say good-bye too...

Neutron bombs, and chemical food  
Cowboy politics, and man on the moon  
Murder, and rape, and chemical waste  
Pollution and death, home of the brave  
Racism television, corporate God  
Polyurethane breakfast, Formica lunch  
Inspid ideas, and conformative rules  
Collapsing cities, archaic schools
