

Plasmatics, Black Leather Monster

Black leather monster, you make me itchy
Black leather monster, you make me mean
Black leather monster, you're pushing my buttons
Black leather monster, you're a pleasure machine
Black leather monster, you're eating my heart out
Black leather monster, I can't get enough
Black leather monster, your eating my...
Black leather monster, you know how to...

Know how to...
To drive me crazy, to make me wild
To make my blood boil, to make my flesh crawl

Oh...
Black leather monster, you make me itchy
Black leather monster, you make me mean
Black leather monster, you're pushing my buttons
Black leather monster, you're a pleasure machine
Black leather monster, you're eating my heart out
Black leather monster, I can't get enough
Black leather monster, your eating my...
Black leather monster, you know how to...

Know how to...
To drive me crazy, to make me wild
To make my blood boil, to make my flesh crawl

Oh...
Black leather monster, Black leather monster
Black leather monster, Black leather monster
Black leather monster, Black leather monster

Know how to...
To drive me crazy, to make me wild
To make my blood boil, to make my flesh crawl

Oh...

Black leather monster, you make me itchy
Black leather monster, you make me mean
Black leather monster, you're pushing my buttons
Black leather monster, you're a pleasure machine
Black leather monster, you're eating my heart out
Black leather monster, I can't get enough
Black leather monster, your eating my...
Black leather monster, you know how to...

Know how to...
To drive me crazy, to make me wild
To make my blood boil, to make my flesh crawl
