

Plasmatics, Country Fairs

country fairs, village squares
sunday school, golden rules
be polite, do what's right
say your prayers, don't stay out at night

screaming nightmares out to get you
paranoia inside your head
zombies laughing, pointing at you
wretching at you, inside your bed

country fairs, village squares
sunday school, golden rules
be polite, do what's right
say your prayers, don't stay out at night

creeping horrors out to get you
morbid weirdo's inside your head
darkness laughing, pointing at you
grabbing at you, inside your bed

first you hate it, then you love it
you can't stand it, you want more
you detest it, but you need it
can't stand being straight no more
stop stop you are screaming
no don't stop, cause you want more
you're degrading, you're elating
give it to me, give it to me

country fairs, village squares
sunday school, golden rules
be polite, do what's right
say your prayers, don't stay out at night

screaming nightmares out to get you
paranoia inside your head
zombies laughing, pointing at you
