

Plasmatics, Sometimes I

Sometimes I feel it
Sometimes I feel it
When you're
Sometimes I feel it
When you're down on your knees

Sometimes I
Sometimes I
Sometimes I
Feel it

Sometimes I
Sometimes I
Sometimes I
Feel it

When you're
When you're
when you're
when you're down on your knees

but I wonder sometimes if you really care
and I wonder sometimes if you're even there

but I know, I know that you try
I know that you try your best to get by
