

# Platinum Blonde, All Fall Down

Daddy doesn't tell your mommy everything  
And when he gets home it'll be the same thing  
And what Mommy doesn't know won't hurt her in the end  
And then those little lies hit you right  
Between the eyes again

Mommy thinks she's getting on  
Tries out a new life  
But Daddy doesn't notice 'cause he's out  
On the night lights  
And it's tearing out her heart  
Turning love stains into fear  
And it's killing all those dreams  
All those hopes we held so dear

And when your world falls down  
Don't lean on me (repeat)

Daddy doesn't tell your mommy everything  
And when he gets home it'll be the same thing  
And what Mommy doesn't know won't hurt her in the end  
And then those little lies hit you right  
Between the eyes again

And then we all fall down  
Don't lean on me...
