

# Platinum Blonde, It Doesn't Really Matter

Hmm, he-he  
Oh, hey  
Doesn't matter (It doesn't matter)  
Doesn't matter at all

Doesn't matter what your friends are telling you  
Doesn't matter what my family's saying too  
It just matters that I'm in love with you  
It only matters that you love me too

It doesn't matter if they won't accept you  
I'm accepting of you and the things you do  
Just as long as it's you  
Nobody but you, baby, baby

My love for you, unconditional love too  
Gotta get up, get up  
Get up, get up, get up and show you that it'

Doesn't really matter what the eye is seeing  
Cause I'm in love with the inner being  
And it doesn't really matter what they believe  
What matters to me is you're in love with me

Doesn't really matter what the eye is seeing  
Cause I'm in love with the inner being  
And it doesn't really matter what they believe  
What matters to me is you're nutty-nutty-nutty for me

(You're so kind)  
Just what I asked for, you're so loving and kind  
(And you're mine)  
And I can't believe you're mine

Doesn't matter if you're feeling insecure  
Doesn't matter if you're feeling so unsure  
Cause I'll take away the doubt within your heart  
And show that my love will never hurt or harm

Doesn't matter what the pain we go through  
Doesn't matter if the money's gone too  
Just as long as I'm with you  
Nobody but you, baby, baby

You're love for me, unconditional I see  
Gotta get up, get up  
Get up, get up, get up and show you that it'

Doesn't really matter what the eye is seeing  
Cause I'm in love with the inner being  
And it doesn't really matter what they believe  
What matters to me is you're in love with me

Doesn't really matter what the eye is seeing  
Cause I'm in love with the inner being  
And it doesn't really matter what they believe  
What matters to me is you're nutty-nutty-nutty for me

(You're so kind)  
Just what I asked for, you're so loving and kind  
(And you're mine)  
And I can't believe you're mine

Doesn't matter what they say

Cause you know I'm gonna love you anyway  
Doesn't matter what they do  
Cause my love will always be with you

My love for you unconditional love too  
Gotta get up, get up  
Get up, get up, get up and show you that  
My love is true, and it's just for you, uh

Doesn't really matter what the eye is seeing  
Cause I'm in love with the inner being  
And it doesn't really matter what they believe  
What matters to me is you're in love with me

Doesn't really matter what the eye is seeing  
Cause I'm in love with the inner being  
And it doesn't really matter what they believe  
What matters to me is you're nutty-nutty-nutty for me

Nutty-nutty-nutty my love for you  
I can't believe my dreams come true  
I've finally found somebody whose heart is true  
And best of all you love me to  
And nutty-nutty-nutty my love for you  
I can't believe my dreams come true  
I've finally found somebody whose heart is true  
And best of all you're nutty-nutty-nutty for me
