

Platters, If I Didn't Care

If I didn't care more than words can say
If I didn't care, would I feel this way?
If this isn't love, then maybe I'm wrong
But what makes my head go 'round and 'round
While my heart stands still?

If I didn't care, would it be the same?
Would my every prayer begin and end with just your name?
And would I be sure that this is love beyond compare?
Would all this be true if I didn't care for you?

If I didn't care, would it be the same?
Would my every prayer begin and end with just your name?
And would I be sure that this is love beyond compare?
Would all this be true if I didn't care for you?
