

Platters, My Prayer

When the twilight has gone
and no songbirds are singing
When the twilight has gone
you come into my heart
And here in my heart you will stay
while I pray

My prayer is to linger with you
at the end of the day
in a dream that's divine

My prayer is a rapture in blue
with the world far away
and your lips close to mine

Tonight while our hearts are aglow
Oh, tell me the words that I'm longing to know

My prayer and the answer you give
may they still be the same for as long as we live
That you'll always be there
at the end of my prayer
