

# Platters, Only You (And You Alone)

Only you can make all this world seem right  
Only you can make the darkness bright  
Only you, and you alone, can thrill me like you do  
And fill my heart with love for only you

Only you can make this change in me  
For it's true, you are my destiny  
When you hold my hand, I understand  
The magic that you do  
You're my dream come true  
My one and only you

Only you can make this change in me  
For it's true, you are my destiny  
When you hold my hand, I understand  
The magic that you do  
You're my dream come true  
My one and only you
