

Play, 11 Out Of 10

MmmmM...Ohhhh...

Well it ain't my style to be jealous and bad mouthin'
But I've known a while, and I can see some trouble coming
Shut your eyes, but I think you might regret it
Will you take advice and remember that I said it baby..

Yea yea yea yea yea....yea yea yea yea yea

She's 11 out of 10 for misery,
So get your act together can't you see
She's 11 out of 10 for vanity, and everyone sees it but you
When you've woken up, come around
When you've broken up, come around..

Well I know her type, she's a mover and a shaker
When the time is right, she will turn around and brake ya....

Get with me, I will cut the tie that binds you

So tenderly, give a sign and I will find you

Yea yea yea yea yea....yea yea yea yea yea

She's 11 out of 10 for misery,
So get your act together can't you see
She's 11 out of 10 for vanity, and everyone sees it but you
When you've woken up, come around
When you've broken up, come around..

(Yeaah.....)

11 out of 10 don't add up
11 out of 10 boy you're stuck
11 out of 10 all messed up
Yea yea yea yea yea

11 out of 10 don't add up
11 out of 10 boy you're stuck
11 out of 10 all messed up
Yea yea yea yea yea

(when you've broken uuuuuup...)

When you've woken up, come around
When you've broken up, come around..

11 out of 10 don't add up
11 out of 10 boy you're stuck
11 out of 10 all messed up
Yea yea yea yea yea

11 out of 10 don't add up
11 out of 10 boy you're stuck
11 out of 10 all messed up
Yea yea yea yea yea
