(Play)

I wanna, look let you know never that  
To the bedroom give me head room, straight to the point  
My time to clown, let you know from the gate I don't go downtown  
To many freaks that'll please me  
I'm that playa you better believe  
I'm payin' no cheese, but I guarantee  
That I still got a freak everyday of the week  
I love the feeling when you dealing with someone  
Poppin' and moving your body all night long  
My jewels get bigger when you giving me dome  
And I get a little crazy when its time to bone  
My life made you think I was one of a kind  
And my ice made you think that love was blind  
Seperate the great, from the weak freaks  
I would never hate, I love all my freaks  
But I never love a hoe, never let a hoe know that  
That I gotta lot of dough, she ain't gotta know  
Take it to the room, I don't need your voice  
But I might need your mouth to provide the moist  
Didn't think you had the brains 'til I met ya knees  
And swallow my seeds and now I see  
Why chose one freak when?

(Hook)

(Krayzie Bone)

I done been around the whole wide world  
I done been so many places, seen many different faces  
Met girls, girls, nasty girls  
Real bad girls, chasin' this platinum world  
And around, behind me and my  
They sayin' wanna get me high  
They wanna spend some time  
With a thug and get freaky with it  
In a hot tub thuggin' gettin' with it  
We can freak a deal  
Turn off the lights  
Come over here, with me  
Take off all your clothes, and freak me baby

(Hook)

(Skillz)

Uh..Uh

You gets none from me ma  
You gets nada, no Gucci, no Prada  
Holla at a chick then I mack her down  
Hit, then I pass sex hand me down  
Said I been around the world  
Ay yah, been hated on for the things I got  
But I don't cuff 'em man, I just rub 'em man  
Talk real fine, then I fuck 'em man  
And I love them girls that love to bone, bone, bone  
Call me up when she all alone, she'll do with the dome  
She'll ride for days, take my bricks  
Take my yay'  
You don't play  
I'm the playa to call  
All you get is a little Cristal  
Puff the 'dro, you know my style  
Coke by the freight with a Kodak smile  
Straight with the beats, I'm straight with the cheese  
I'm straight to the point, I'm straight to the sheets  
Why chose one freak, when the?

(Hook)

(Adina Howard)

Ohhh..

I took my t-shirt and my panties off  
I want you to freak me 'til the morning  
We can do it anyway you like  
In the shower, on the counter  
Every hour
