## Play & Win, Stay with me

Let's pretend a second you are mine Dance with me tonight

Like nobody else

You will never know if you don't try

Stay with me tonight

And I will give you all my love

Now I see the sunrise in the sky

Back in time with you in my mind

So give me one more reason to come by

Please don't hide from me no, no, no, no

Let's pretend a second you are mine

Dance with me tonight

Like nobody else

You will never know if you don't try

Stay with me tonight

And I will give you all my love x2

`Cause I will need no other

If now you take my life and then you take me

Your face is like no other

Came down, fall from the sky

(Fall from the sky 4x)

Let's pretend a second you are mine

Dance with me tonight

Like nobody else

You will never know if you don't try

Stay with me tonight
