

Playboi Carti, All Red

(Wake up, F1LTHY)
Hol' up, uh

Upside-down cross tat' on my neck, shut 'em up, uh, uh
Upside-down cross tat' on my neck, shut 'em up
Upside-down cross tat' on my neck, shut 'em up, uh, uh
Upside-down cross tat' on my neck, shut 'em up, uh
The Bentley is parked outside, my vibe tryna go for a ride
I put Vetements right on her thighs, I put the mask on 'cause I be fried
All red, I stay with the Five5s, all red, we pull up and fire
All red, somebody died, all red, I pour up then drive

We done pushed up with them SIGs
Just like Madden, you can get blitzed
I used to rock Bally's, then I got rich
This is a thot, she can't be my bitch, yeah
This is a thot, she can't be my bitch, yeah
I come to your spot, we spray up that bitch
I come to your spot, we spray up that bitch
I come to your spot and I take that shit, hol' up, uh
I got the drop, we layin' that bitch, hol' up, hol' up
Get a stolen vehicle, drive that bitch, hol' up
Push on yo' block, then we spray 'em, uh
Push on yo' block, then we spray 'em
Somebody send 'em a prayer, somebody send 'em some prayers
I got some shit goin' crazy, I need a whole 'nother layer
I'm on a whole 'nother level, I'm a different type player
I'm a different type player, I'm a credited player
Shawty know I could score it, shawty know I'm a slayer
Shawty, treat her like mail, fuck a bit' right here
Drive the coupe to Rodeo, I'm 'bout to give this ho hell

Upside-down cross tat' on my neck, shut 'em up, uh, uh
Upside-down cross tat' on my neck, shut 'em up
Upside-down cross tat' on my neck, shut 'em up, uh, uh
Upside-down cross tat' on my neck, shut 'em up, uh
The Bentley is parked outside, my vibe tryna go for a ride
I put Vetements right on her thighs, I put the mask on 'cause I be fried
All red, I stay with the Five5s, all red, we pull up and fire
All red, somebody died, all red, I pour up then drive
