

Playgroup, Number One

You say you wanna be down
I've seen you run with every fool in town
What I see needs to be heard
I'm the kind cat who always gets his bird
Don't have to travel too far
I see you bumping in my motorcar
And I know you like what you see
Come on my plane and take a ride with me

Say you want me
I know you do
How can I get through to you

Chorus
I wanna be, wanna be your number one
(Oh yeah, oh yeah) (Oh yeah, oh yeah yeah)
I wanna be, wanna be your number one
(Oh yeah, oh yeah) (Oh yeah, oh yeah yeah)

Please don't play hard to get
(Don't go playing girl)
You want the best
You ain't seen nothing yet
Coz I always get what I want
(And you know it girl)
And I want you and me
Making lots of fun

Say you want me
I know its true
How can I get through

Chorus
I wanna be, wanna be your number one
(Oh yeah, oh yeah yeah)
I wanna be, wanna be your number one
(Oh yeah, oh yeah yeah)

Repeat x 2

It's all I really want girl
It's all I really need

Chorus
I wanna be, wanna be your number one
(Oh yeah, oh yeah yeah)
I wanna be, wanna be your number one
(Oh yeah, oh yeah yeah)

Repeat x 2
I..wanna be your number one

Repeat x 4

You are the number on my mind
I gotta be number one all the time
So why don't you take ride with me in my car
You don't have to travel too far
To the ends of the night
And everything you want
Will be yours
