

PlayRadioPlay!, Symmetry

when you're ready
we'll just take it steady
I know
your eyes are heavy
and our palms are sweaty
and when the clock strikes nine
I'll be on my way
forgot to schedule in advance
so i won't see you the next day.

oh...oh...oh.. oh o oh o o
oh...oh...oh.. oh o oh o o
oh...

these hearts take flight
try as you might
what is timing
what if these hearts
these hearts take flight
try as you might
what is timing
what is february

oh...oh...oh.. oh o oh o o
oh...oh...oh.. oh o oh o o
oh...

these hearts take flight
try as you might
what is timing
what does that mean
these hearts take flight
try as you might
what is sadness
what is symmetry
