

# Plazma, Home

I've been led astray  
By my body's flame, desire's flame  
I've been almost blind  
Going through the storm  
But God's sent me you

Lead me home  
Lead me home  
Be my guide  
Through the storm  
Take me home  
Take me home  
I'll settle down  
I'll settle down

I've been led astray  
All those empty years, lonely years  
I've been almost blind...  
Now I've found a guide  
'Cause God's sent me you

Lead me home  
Lead me home  
Make me find  
Peace of mind  
Take me home  
Show me home  
I'll settle down  
To the ground
