I kno you sickin tired of fussing and fightin and the cussin
But I luv ya and you love me 2

I did you wrong
You did me wrong
I take you back
you take me back
I did ju wrong girl
you did me wrong girl
I'll take you back
I'll take you back

No matter what chu do No matter what chu say
No matter how far you go
Dont take ya luv away

Becuz I luv you
and girl I want chu
and girl I need ju
So let juss work

Now I aint tryin 2 waste yo time
And I aint tryin 2 waste my time
they aint no need 2 waste no time
Cuz we done put in 2 much time (x2)

when you in a relationship
The easiest thing 4 you to do is 2 leave
Ya gotta stick it and work it out and stick it out
and stick it out
Cuz at the end of the day

You take me back

I did ju wrong girl
You did me wrong girl
I'll take you back
I'll take you

No matter what chu do No matter what chu say
No matter how far you go
Dont take ya luv away

Becuz I luv you
and girl I want chu
and girl I need ju
So let juss work

(PLEASURE TALKS)
