Stay in my own lane  
Mind my own bidness  
Hit my own licks  
Get my own pennies  
Keep these niggas from round me, cause I ain't friendly  
You'll never slide up under me and be my co-defendant  
Time to do bidness

Never run to them crackers on me bout what ya saw  
Never snake me, and get me knocked off  
Niggas like hos, love to run they fuckin' mouth  
Speak to them in the streets, won't bring them to my house
