Plies, Committed To Being A Real Nigga

Hook - (2x)

I'm committed to bein a real nigga and nothin else - 100% real nigga nothin less - i stand a real nig Verse 1:

I had a part time daddy - tha streets made me a man - if I had to do it all over I'd let tha streets rais Hook

Verse 2:

Every thang I claim to be - that's what tha streets tell me - this music shit just make stars but tha streets tell me - this music shit just make stars but tha streets tell me - this music shit just make stars but that streets tell me - this music shit just make stars but that streets tell me - this music shit just make stars but that streets tell me - this music shit just make stars but that streets tell me - this music shit just make stars but that streets tell me - this music shit just make stars but that streets tell me - this music shit just make stars but that streets tell me - this music shit just make stars but that streets tell me - this music shit just make stars but that streets tell me - this music shit just make stars but that streets tell me - this music shit just make stars but that streets tell me - this music shit just make stars but that streets tell me - this music shit just make stars but that streets tell me - this music shit just make stars but that streets tell me - this music shit just make stars but that streets tell me - this music shit just make stars but that streets tell me - this music shit just make stars but that streets tell me - this music shit just make stars but that streets tell me - this music shit just make stars but that streets tell me - the streets tell me -

Verse 3:

Beina real nigga - that's a fucked niggas dream - but that's a milestone that only a few niggas can a Hook
