(feat. Pleasure)

[Intro x2:]

Bet if I suck on that pussy bet that'll get you wet
And rub my hand on that clit bet that'll get you wet
And rub my tongue down your neck bet that'll get you wet
Bet if I suck on them titties bet that'll get you wet

[Chorus (Pleasure):]

I wanna lick you up (baby)
I wanna lick you down (baby)
I wanna make you scream (baby)
I wanna make you shout (baby)
I wanna put it in your guts (baby)
I wanna make you nut (baby)
'cause all I wanna do is, 'cause all I wanna do is
'cause all I wanna do is, 'cause all I wanna do is
'cause all I wanna do is...

[Verse 1: Plies]

don't wanna fuck up your panties you better take 'em off
finna play with that pussy until I get you moist
I can't fuck you when you dry 'cause that'll turn me off
if I can smell it then baby I don't put it in my mouth
I wanna suck on them titties 'cause they look soft
do me a favor and keep your legs uncrossed
so I can lay on you, dick out boxers off
got you biting on you lip 'cause you can't talk
and after I give you this dick I bet I'll change your walk
and I'm gonna play with you clit want you to pull it out
get you wet first then fuck you to a coma
long as you pussy stay wet I can fuck you how I wanna

[Hook (x2):]

Bet if I suck on that pussy bet that'll get you wet
And rub my hand on that clit bet that'll get you wet
And rub my tongue down you neck bet that'll get you wet
Bet if I suck on them titties bet that'll get you wet

[Chorus (Pleasure)]

[Verse 2: Plies]

If I can't hear that pussy smacking it ain't wet enough
need to be able to hear it when I got you in a buck
need to see that pink shining when I open up
pussy full of juices nigga hitting nothing but guts
gotta be able to get you leaking before I fuck
and got to get you off first before I even nut
I love to run down on a broad that got a soaker
super wet pussy you can hear it when you stroke her
nigga whole stomach be wet when it's over
had to throw away my sheets 'cause she left a puddle
wet pussy with no smell a motherfucker
pussy so wet feel like she pissed on her self
pussy already dripping she ain't need my help
gotta fuck her on the floor she leek everywhere
you can nut and go to sleep I don't even care
a street nigga wet pussy good for his health

[Hook x2]

[Chorus (Pleasure)]
