Some wanna see me broke, some wanna see me in the feds

the streets don't feel him, I ain't have to go through that  
I'm on fire in the streets, just got my feet wet  
and you don't think I'ma sell a mill, just take the bet  
I'm just one of few who ain't went commercial yet  
I want you to see me when I got the top back

and why plies so wild if he got stife

if you ain't thuggin, you wont understand the thug life

[Chorus]
