

Ploma Drive, Hero

It's 10'o'clock on a Wednesday night.
I'm feeling kinda stressed out from the job and flight.
I never knew I was down that road.
Thinking about it makes my heart explode.

I could've been your hero.
I could've done it all for you.
I could've been your everything now,
if you have just wanted me to.

Do what I wanna do, be what I wanna be.
Go where I wanna go, see what I wanna see.
Do everything I told you I could.
Yeah, watch it go down just like it should.

I could've been your hero.
I could've done it all for you.
I could've been your everything now,
if you have just wanted me to.

I'm gone from here, I'm outta this world.
I'm closing the door, I'm leaving this life for good.

I could've been your hero.
I could've been your everything, too.

But I'm gone.
But I'm gone.
Yeah I'm gone.

I'm gone from here, I'm outta this world.
I'm closing the door, I'm leaving this life for good
