

Plumb, Damaged (Brokedown Palace Soundtrack)

Dreaming comes so easily
'Cause it's all that I've ever know
True love is a fairy tale
I'm damaged, so how would I know

I'm scared and I'm alone
I'm ashamed
And I need for you to know

I didn't say all the things that I wanted to say
And you can't take back what you've
taken away
'Cause I feel you, I feel you near me

I didn't say all the things that I wanted to say

And you can't take back what you've
taken away
'Cause I feel you, I feel you near me

Healing comes so painfully
And it chills to the bone
Will anyone get close to me?
I'm damaged, as I'm sure you know

There's mending for my soul
An ending to this fear
Forgiveness for a man who was stronger
I was just a little girl, but I can't go back
