

Plumb, Free

You thought you had me all tied up in a little knot
You thought I'd go on living just like you like you until you asked me nicely to stop
but surprise

I'm free,

I'm free,

I'm Free

to be the girl you tried to steal

You thought I'd freeze out withered and abandoned

Now you know differently that I'm gonna live much more than you ever imagined

So surprise

I'm free

I'm free

I'm free

to be the girl you tried to steal

to be the girl you tried to steal from me

It isn't every day

someone sets you free

and gives you walking papers

to be the real thing

I'm free

I'm free

I'm free

to be the girl you tried to steal

I'm free

I'm free, yea

I'm free

to be the girl you tried to steal

to be the girl you tried to steal from me
