

# Plumb, God-Shaped Hole

Every point of view has another angle  
And every angle has its merit  
But it all comes down to faith  
That's the way I see it

You can say that love is not divine and  
You can say that life is not eternal  
"All we have is now"  
But I don't believe it

Chorus:  
There's a God-shaped hole in all of us  
And the restless soul is searching  
There's a God-shaped hole in all of us  
And it's a void only He can fill

Does the world seem grey with empty longing  
Wearing every shade of cynical  
And do you ever feel that  
There is something missing?

Chorus

That's my point of view...

There's a God-shaped hole in all of us  
And the restless soul is searching  
There's a God-shaped hole in all of us  
And it's a void (repeat 2x)

Only he can fill  
Only he can fill  
That's my point of view  
That's my point of view, yeah
