

Plumb, God Shaped Hole

Every point of view has another angle
And every angle has its merit
But all comes down to faith
That's the way I see it
You can say that love is not divine and
You can say that life is not eternal
"all we have is now"
But I don't believe it
There's a god-shaped hole in all of us
And the restless soul is searching
There's a god-shaped hole in all of us
And it's a void only he can fill
Does the world seem gray with empty longing
Wearing every shade of cynical
And do you ever feel that
There is something missing?
That's my point of view...
