

Plumb, My Child

Peacefully you are sleeping
Silently you dream
And I cannot help but feeling blessed
While watching you

Your eyes
My eyes
Your smile
My smile
Your love
My gain
Your hurt
My pain
Your laugh
My joy
Every time, it's mine
You are my child

I will always protect you
Oh and I will even let you go
I'll spend the sweetest time holding you
And will let you grow

Your eyes
My eyes
Your smile
My smile
Your love
My gain
Your hurt
My pain
Your laugh
My joy
Every time, it's mine
You are my child

Don't ever be afraid
Don't ever be afraid
Cause I am here
And if you start to fear
Just close your eyes
And hear me say

Your love
My gain
Your hurt
My pain
Your laugh
My joy
Every time, it's mine
You are my child
