

# Plumb, My Child

Peacefully you are sleeping  
Silently you dream  
And I cannot help but feeling blessed  
While watching you

Your eyes  
My eyes  
Your smile  
My smile  
Your love  
My gain  
Your hurt  
My pain  
Your laugh  
My joy  
Every time, it's mine  
You are my child

I will always protect you  
Oh and I will even let you go  
I'll spend the sweetest time holding you  
And will let you grow

Your eyes  
My eyes  
Your smile  
My smile  
Your love  
My gain  
Your hurt  
My pain  
Your laugh  
My joy  
Every time, it's mine  
You are my child

Don't ever be afraid  
Don't ever be afraid  
Cause I am here  
And if you start to fear  
Just close your eyes  
And hear me say

Your love  
My gain  
Your hurt  
My pain  
Your laugh  
My joy  
Every time, it's mine  
You are my child
