

Plus 44, Nervous Breakdown

[Originally by Black Flag]

I'm about to have a nervous breakdown

My head really hurts

If I don't find a way out of here

I'm gonna go berserk cause

I'm crazy and I'm hurt

Head on my shoulders

It's going... Berserk!

I hear the same old talk talk talk

The same old lines

Don't do me that today

Yeah if you know what's good for you, you'll get out of my way

Cause, I'm crazy and I'm hurt

Head on my shoulders

Going... Berserk!

I won't apologize

For acting outta line

You see the way I am

You leave any time you can cause

I'm crazy and I'm hurt

Head on my shoulders

Going... Berserk!

Crazy! Crazy! Crazy! Crazy!

I don't care what you fuckin' do!

I don't care what you fuckin' say!

I'm so sick of everything

I just want to... Die!
