

# Plus/Minus, One Day You'll Be There

You're sailing through the air to nowhere  
the trajectory unclear  
but it feels like it's somewhere  
don't really care if you land or you fall  
because it's not up to you  
don't you know that it should be?

Sign on the dotted line for an unlimited time  
but you still won't know

You feel a hundred feet tall  
you see all the things that you could do  
but they're not what you're doing  
Everyone knows where you stand  
but you can never see it for yourself  
Don't you know that you should be?

Sign on the dotted line for an unlimited time  
but you still won't know.
